

My Triand Overview

The new Triand (My Triand) is a user friendly way to transfer student transcripts between schools, districts and colleges.

My Triand introduces social networking for public education. Designed with collaboration functionality, teachers can help other teachers, schools can help other schools, and districts can help other districts.

While My Triand works with other web browsers, Firefox is the recommended web browser for My Triand. You may download Firefox for free from:

<http://www.firefox.com>.

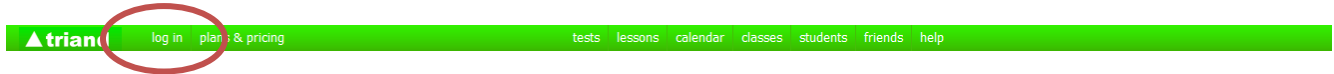

Upon logging into My Triand, you will notice that the interface is divided into two sections – (1) the navigation bar and (2) the main working area.

The screenshot displays the My Triand web application interface. A red box labeled '1' points to the green navigation bar at the top, which includes the 'triand' logo, a user profile 'jane (example) doe', a 'log out' link, and a menu with options: 'tests', 'lessons', 'calendar', 'classes', 'students', 'friends', and 'help'. Another red box labeled '2' points to the main working area below the navigation bar. This area is divided into three columns. The left column, titled 'People You Might Know', lists three users: Debbie Moore (no job title, HOT SPRINGS MIDDLE SCHOOL, HOT SPRINGS SCHOOL DISTRICT), Sandra Milholen (Registrar, HOT SPRINGS HIGH SCHOOL, HOT SPRINGS SCHOOL DISTRICT), and Mary Hall (Technology Director/Triand Admin, HOT SPRINGS HIGH SCHOOL, HOT SPRINGS SCHOOL DISTRICT). Below this is a 'Messages' section with a message from Dan Hansen dated 4 months ago. The middle column is titled 'What's Happening On Triand' and lists various user activities, such as Bob Morrison searching for a friend, Dana Pounds viewing a report, and Vicki Chamlee viewing a test. The right column is partially visible and shows more user activity.

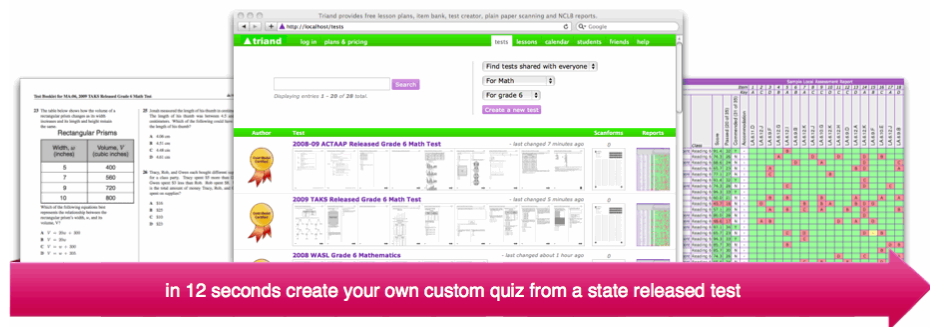

The old Triand system (Enterprise) is still currently available for use, if necessary. You can access Enterprise Triand from the My Triand log in screen.

- Go to triand.com and click the Log In link.

use released state tests in your classroom

- Click the link to "log in to last year's website". (Note: Do not log in to My Triand)
